

DRUG ENDANGERED CHILDREN TRAINING AND ADVOCACY CENTER

**Biography of
Angela Rosas, M.D.**

Dr. Rosas is a pediatrician, specializing in the field of child abuse and neglect. She is currently the Director of the BEAR Care Center in Sacramento, a joint program between Children's Specialists Medical Group and Sutter Children's Center. She is also an active member of several Sacramento multidisciplinary teams including Chairperson of the Sacramento County Child Death Review Team, the Collaborative to Reduce Child Neglect Fatalities, and the Drug-Endangered Children Task Force.

As a pediatrician specializing in the area of child abuse and neglect, Dr. Rosas has examined over 3,000 cases of child abuse and reviewed over 5,000 additional cases. Dr. Rosas has over 10 years of experience examining patients with all forms of child maltreatment. She has lectured around the country, and published several articles, case reports and book chapters. She was most recently the Associate Medical Director of the U.C. Davis Children's Hospital CAARE Diagnostic and Treatment Center. Dr. Rosas is a qualified expert witness in child abuse specifically, drug endangered children cases and has testified in California as well as other states.
