

CNOA PRE-INSTITUTE TRAINING

Presents

DRUG ENDANGERED CHILDREN INVESTIGATIONS

“The Social DEC Autopsy – Writing Search Warrants To Save Kids”

POST Certified Plan IV (trng. points only) / STC Certified / College Credits

FRIDAY, NOVEMBER 17, 2017 (0800-1700 HOURS)

Peppermill Resort

2707 S. Virginia Street, Reno NV 89502

(Day before CNOA 53rd Annual Training Institute)

Course Description: This training course will review child death cases and show missed opportunities for first responders to intervene. The course will also teach investigative skills necessary to link drug usage, trafficking, manufacturing and grow operations with child endangerment, a violation of Penal Code Section 273a. Whether you're a law enforcement officer (Police, Probation, and Parole), Social Worker, Prosecuting Attorney or one of many first responders, you will learn how to identify and evaluate the dangers to children living in drug environments, as well as protecting yourself and the community from harm. These cases can result in more felony charges, accountability, less time in court, better case oversight, enhanced victim services and increased sentences through proper investigation and prosecution. Felony child endangerment charges can result in sentences of 2, 4, or 6 years per child. In this day and age of drug legalization we need extra tools to protect the community.

Who Should Attend: Law enforcement, DA Investigators, patrol officers, detectives, social workers, prosecutors, probation/parole officers, (supervisors, mid managers, Dept. Heads from these agencies), code enforcement, prosecuting attorneys, fire/hazmat, animal control, all first responders, medical professionals or anyone who has a job that requires them to enter homes where drugs may be used, sold, grown or manufactured.
