For Hotel Reservations Call (800) 501-2651 – Room Block Under CNOA  
(Day before CNOA 55th Annual Training Institute)

FREE

**Course Description:** This training course will review child death cases and show missed opportunities for first responders to intervene. The course will also teach investigative skills necessary to link drug usage, trafficking, manufacturing and grow operations with child endangerment, a violation of Penal Code Section 273a. Whether you're a law enforcement officer (Police, Probation, and Parole), Social Worker, Prosecuting Attorney or one of many first responders, you will learn how to identify and evaluate the dangers to children living in drug environments, as well as protecting yourself and the community from harm. These cases can result in more felony charges, accountability, less time in court, better case oversight, enhanced victim services and increased sentences through proper investigation and prosecution. Felony child endangerment charges can result in sentences of 2, 4, or 6 years per child. Currently, with drug legalization, we need extra tools to protect the community.

This Training is POST and STC certified with College Credits. Attendance is recommended for Patrol, Parole, Probation, Detectives, Deputy DA's, Social Workers, Drug Task Force Personnel, and all First Responders. This is a **FREE CLASS**. Plan ahead and reserve your spot. (POST Certified Plan NA)

**Mail/fax/email completed registration forms to:**

**Drug Endangered Children Training and Advocacy Center**
